**\*See instruction to access google classroom and login on page 2.**

**To access the google classroom:**

1. Go to: [classroom.google.com](https://classroom.google.com)
2. Once there, the student will need to log in with their GEO credentials.
3. If they don't know their credentials, please email [kthymes@geoacademies.org](mailto:kthymes@geoacademies.org) or [altaylor@geoacademies.org](mailto:altaylor@geoacademies.org).
4. If they have not already joined their teacher's class, they will click on the + at the top right, then click join class and then enter the code for their teacher.
5. If they are already in the class, then they will click on the class and be able to view the assignments.

**To access the remind:**

1. Download the Remind app on your smartphone.
2. Once you have created an account/logged in, click join a class and enter the code for your child's teacher. You will have to repeat this step for each child that your child takes. If you have any questions, please email [kthymes@geoacademies.org](mailto:kthymes@geoacademies.org) or [altaylor@geoacademies.org](mailto:altaylor@geoacademies.org).
